Cadettana

Foreword

We of the Cadettana Staff who are about to depart as graduates of 1968 sincerely hope that in future years this issue of the Cadettana will be a cherished memento of happy years at Fort Frye High School; a reminder of favorite classmates and of the wonderful hours outside the classroom.

For most of us, we have been students here four years. And now, though hesitantly, we must leave by the open door and step out confidently to face a future that is very uncertain. But in whatever degree of success or failure we may find ourselves in years to come, if a glance at these pages will lighten our labors and ease our pains—if only for a moment—we deem our yearbook work worth-while.

Class History

In September of 1956, we entered the "enormous doors" of a new world, unknown to us all.

The first six years followed by two hectic years of junior high, were the years we will look back on in the future.

We now moved from junior high to those horrifying halls of Senior High. As freshmen we took pride in the fact that all that we gained would be put to use in four long years. This freshman year was a huge financial success only to be topped by the sophomore year.

During our junior year we presented the class play entitled, "The Mouse That Roared." As the year finally entered into the spring, plans for the annual Junior-Senior Prom and Banquet began. From lofty heights we cut, taped, and stretched streamers, while down below roses were being twisted into shape, resulting in a heavenly southern atmosphere as the theme indicates—"Tender is the Night."

As we entered the halls of the "Fort" for the last time, we realized that this was the climax of everything that we had hoped to do. One of the greatest events of the entire year was our senior class play "Comin' Round the Mountain." This was the first musical comedy ever to be presented in the history of Fort Frye High School. This play would not have been a success without the professional leadership of Mr. Clark Murphy.

Then came May 29, the night of graduation. It seemed so strange that everything we had worked for would be ended in one short ceremony. During this momentive evening, the names and faces of the members of the Class of 1968 were properly recorded and classified as history in the annals of Fort Frye. Tomorrow will find us scattered far and near. Wherever you go, may God be with the Class of 1968.
